REVISED AGENDA

- 1 Apologies for absence
- 2 Declarations of Interest
- 3 Declarations of gifts and hospitality
- 4 Requests for Dispensation (must be received in writing prior to the meeting)
- 5 To consider the following four proposals for the Belle Vue house and pool site, in order to submit a preferred option to BDC:-
 - a) To give in principle support to the proposal to create a new hotel and restaurant being located on the old swimming pool site and adjacent buildings, subject to seeing detailed plans
 - b) To give in principle support to the demolition of the existing house and therefore consideration being given to using that land as part of the overall footprint of a proposed new hotel and restaurant, reducing potential impact on the park
 - c) To in principle not support the proposal to create a new hotel and restaurant being located on the old swimming pool site and adjacent buildings and to instead revisit a previous plan to open up the front of the park and enter consultation with local groups to create a long term sustainable solution for Bellevue House, subject to seeing detailed plans.
 - d) To consider any viable business plans/proposals from local groups for the regeneration of, use and maintenance of Belle Vue House
- 6 To discuss revised plans for land at rear of Town Hall and to agree way forward
